Dear Sirs

I am in receipt of your communication of Jan 30<sup>th</sup> regarding catalog & price list & in reply would say that the size & nature of my business does not necessitate the issuance of a catalog & price list. The following is a list of the plants I grow:—  
Tomato, Pepper, Egg Plant; a few varieties of flower plants and hedge & windbreak material, chiefly eucalyptus. & since the prices vary quite a lot from beginning to end of season it is hardly possible to quote prices.  
 Hoping that the above information will fill the requirements

Yours truly
